

RedShelf Digital Material

Many HCC Online classes utilize digital material through RedShelf. eBook access is available through the Canvas classroom. Are you unsure how to navigate and efficiently use your course eBook? Please review these articles and videos from RedShelf to assist you:

Getting Started

<https://solve.redshelf.com/hc/en-us/sections/115000849253-Getting-Started>

The RedShelf eReader is a streaming platform that creates an accessible, engaging, and interactive reading experience. You can do so much more than just read the material! The eReader allows you to enhance your eBook and study tasks by highlighting, taking notes, creating a study guide and flashcards, and listening to the eBook using text to speech tools.

Do you prefer to watch a video about the RedShelf features instead of reading articles? If so, this link also includes Tutorial Videos.

Using Your eBook

Are you having problems accessing your eBook? RedShelf Solve provides 24/7 technical support through their website and ticket system.

If you are receiving an error code, Forbidden/CSRF Error, or Enabling Cookies message you need to clear your browser cache or change a setting on your Internet browser. These articles review these problems and how to quickly resolve them.

If you are unable to resolve the problem, you should submit a ticket to RedShelf using their online form:
