The courses listed above are prerequisites for the programs for which they are listed. Students taking these courses at Highland Community College will need to adhere to these Hillyard requirements for admission.

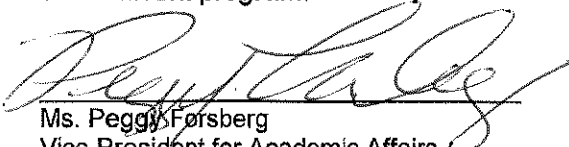

- All students must request an official transcript be sent to Hillyard Technical Center upon application.

- Prerequisite credits must be completed with a "C" or better.
- At Hillyard Technical Center the grading is based on earning 75% to be considered passing for all programs. Any percentage below 75% is failing. For Practical Nursing the percentage requirement is 76%.

In addition the Trade and Industry programs all require students to have COMPASS placement scores. These placement tests may be taken at Highland Community College. The cost is \$25.00 per test. The programs are:

- Automotive Service Technology
- Carpentry
- Collision Repair and Refinish
- Computer Aided Drafting Technology
- Electronic Technology
- Emergency Medical Technician (EMT) – Basic
- Fire Science
- Heating, Ventilation, Air Conditioning, and Refrigeration (HVACR)
- Medical Transcription
- Precision machine Technology
- Welding Technology

The signing representatives have reviewed and approved the Articulation Agreement. They are responsible for implementing the provisions and procedures of this agreement and as well as maintaining a liaison between Hillyard Technical Center and Highland Community College. The terms for this agreement will commence when all signatures are present. This agreement shall renew automatically from year to year. Either party may terminate this agreement upon written notice to the other party, ensuring that current students will have the opportunity to complete their current program.
