Such a designation does not preclude the College from contracting with any additional attorneys as needed. Motion passed for all items.

Motion passed.

Infant at Work Policy: President Reist explained that HCC does not have an “infant at work” program or policy. He shared several sample policies and requested Board approval to begin working on an “infant at work” policy to be presented to the Board at a future meeting. The Board had no objection.

Health Insurance Reserve: President Reist informed the Trustees that the College has been contacted by Blue Cross/Blue Shield of Kansas regarding a surplus that has built up. This “reserve” has built up as premiums have exceeded claims. BC/BS would like the College to have the money rather than leave it with them. President Reist stated that there are several options including sharing the money with the employees who have paid in. Discussion. The Administration will work on a proposal as to what to do with the money and bring it to the Board for their consideration next month.

Adjunct Pay Proposal: President Reist explained that pay for adjunct faculty has historically been handled separately from other employee raises and is not addressed annually. Presently, concurrent, face-to-face, hybrid, and IDL adjunct instructors are paid at the same rate. Online adjunct instructors are paid at $600 per credit hour and no change is recommended for those instructors. President Reist
presented the Board with a revised pay rate on a per credit hour basis for adjunct instructors as follows: Concurrent - $455; Face-to-Face - $500; Hybrid & IDL - $550; Online - $600 (no change).
