Early Childhood Scholarships Available

Child Care Aware® of Kansas is proud to announce, in honor of our 25th Anniversary, a statewide educational scholarship opportunity available for any individual working in early childhood in Kansas! Through the generosity of our Board of Directors and private fundraising activities, scholarships will be available in early 2016!

Scholarship applicants must work in a licensed family child care home or child care center. Priority will be given to individuals employed in a child care setting that currently serves children and their families who accept Kansas Department for Children and Families (DCF) subsidy assistance.

The licensed family child care home or child care center must be in good standing with the Kansas Department of Health and Environment. All efforts will be made to equitably distribute scholarships throughout Kansas.

Scholarship opportunities include:

1. T.E.A.C.H. Early Childhood® KANSAS
2. Child Care Aware Training Academy™
3. Child Development Associate (CDA) National Credential
4. Professional Development Courses offered by a Regional CCR&R (call for more information on scholarship amounts)

Applications are available by contacting the Child Care Aware® of Kansas at 1-855-750-3343 or on our website (www.ks.childcareaware.org).

Applications are due no later than December 1, 2015
This will be an annual scholarship opportunity!
