** Federal Pell Grant & SEOG:** If a student’s financial aid file is complete by July 1, 2106, HCC will credit the student’s account with the Pell Grant, SEOG, and/or institutional scholarship on or before the dates above. If the money from these sources of financial aid exceeds the student’s semester charges, a check will be mailed to the student after the date noted below.

** Federal Direct Stafford Loans:** HCC will credit a student’s account with their Direct Stafford Student Loan after the student has completed all necessary loan documentation. Stafford Loans that are completed within the 30 day waiting period or by the scheduled dates listed above will be credited to your account. Any excess funds will be mailed to the students after the scheduled dates.

** Work Study:** Students must complete an HCC Hiring Card (this form consists of a W-4 Form from the IRS and an I-9 Form) before beginning work. Students earning money through the Federal Work Study Program will be paid provided the financial aid office has received a correctly completed, signed time sheet by the first working day after the 12th of each month. Payroll dates are: September 23, October 25, November 18, December 9, January 25, February 24, March 17, April 25, and May 12.

HCC may receive checks (scholarships, grants, etc.) from outside agencies for students which will be credited to the student’s account. Any excess funds will be released to the student at a later date.
