Highland Community College Suggested Program of Study
Sociology (Associate in Arts)

The Sociology program is designed for students intending to transfer and to seek a bachelor's degree. Students should work closely with their advisor to assure that they take courses that are required by the college to which they plan to transfer; see HCC Transfer Guides. Additional education classes should be taken if the student plans to teach.

Course Number	Course Name	Credit Hour
Basic Skills

	Humanities Elective	3
Social & Behavioral Science		
BUS 203	Macroeconomics	3
PSY 101	General Psychology	3
SOC 101	General Sociology	3
Natural & Physical Science		
	Science w/Lab	5
	Science Elective	3
Electives		
ANT 112	General Anthropology	3
LG 102	Spanish II	5
PSY 206	Social Psychology	3
SOC 210	Social Problems	3
	Open Electives	11

Potential Employment Applications of Degree

Sociologists study human society and social behavior by examining the groups and social institutions that people form. These include families, tribes, communities, and governments, as well as a variety of social, religious, political, business, and other organizations. Sociologists study the behavior and interaction of groups, trace their origin and growth, and analyze the influence of group activities on individual members.
