Discussion. It was moved by Mr. Taylor, seconded by Mr. Coy, that a temporary easement with an option for HCC to lease be granted to RWD No. 6. Motion passed.

Wellness Center Financing: Last month, the Board approved refinancing of the 2004 Wellness Center Revenue Bonds. Doing so at this time will result in a substantial one-time savings for the 2011 fiscal year. Mr. John Haase, bond counsel, was present to discuss options for the refinancing. Discussion. It was moved by Mr. Taylor, seconded by Mr. Coy, that the Board approve the issuance of a COP for refinancing the Wellness Center. Motion passed.

Motion passed.

HCC Academic Hall of Fame: Mr. Reist reviewed the process for employee selection into the HCC Academic Hall of Fame. Former HCC faculty, alumni, and administrators may be nominated by current members of those groups, followed by elections in which the nominees must receive votes from at least two-thirds of those groups. An approval of two-thirds of the Board of Trustee members is also required.

Based on the results of the faculty, alumni, and administrator elections, Mr. Reist presented the following people for the Board to consider for inclusion in the HCC Academic Hall of Fame: James Hughes and Arlyn Parish, Faculty, and Donald Harter, Alumni. Use of ARRA Stimulus Funds: One of the permissible uses of ARRA stimulus funds (American Recovery and Reinvestment Act) is to hire new positions or extend existing positions. Due to current operating budget status and future outlook for State funding, it was recommended to the Board that a portion of the ARRA funds be used to fund summer maintenance employees and adjunct instructor positions for the month of June. It was moved by Mr. Taylor, seconded by Mr. Coy, that the suggested expenditures for the ARRA stimulus funds be approved as recommended. Motion passed.

Infrastructure One-Time Expenditures: Ms. Deborah Fox, Vice President for Finance/Operations, provided the Board with a list of deferred maintenance items that can be funded with ARRA funds. IT Server Room Upgrades: The IT Department currently maintains 14 server mounted battery backup modules to allow for proper shut down in a power outage. An upgrade to the server room would allow for all primary systems to remain up and running for roughly two hours, much longer than the current system. Because of HCC’s online presence, this longer running time would be much more ideal. Discussion. It was moved by Mrs. Batchelder, seconded by Mr. Coy, that the proposed upgrade of the IT Server Room be approved as presented. Motion passed.

Tech Center Blueprint Cabinets: The HCC Technical Center has 12 blueprint cabinets that could be declared as surplus. The cabinets would be offered to the public for sealed bid. It was moved by Mr. Coy, seconded by Mrs. Batchelder, that the blueprint cabinets be declared as surplus and offered for public bid. Motion passed.

Student Housing Furniture Bids: Each year the College rotates some furniture in student housing. The existing furniture was from Contract Supply, the vendor for Blockhouse furniture. The furniture has held up well and the vendor has followed through on warranties. The College wishes to continue that relationship so the items coordinate with the existing furniture. Selected for replacement are 15 low loft steel beds, 15 low loft oak beds, 20 5-drawer chests, and 2 sofas. It was moved by Mr. Taylor, seconded by Mrs. Batchelder, that the requested furniture be purchased through Contract Supply as requested. Motion passed.

HCC Technical Center Tuition and Fees for 2010-2011: The Technical Center currently charges students a flat amount per semester. Mr. Reist requested that some of these charges be converted to a per credit hour basis. He proposed the following charges for 2010-2011: Kansas Residents - $85 per credit hour; Nursing (Kansas residents) - $95 per credit hour; Part-time Kansas high school students - $2,200 per semester. It was moved by Mr. Taylor, seconded by Mrs. Batchelder, that the proposed 2010-2011 tuition and fees for the HCC Technical Center be approved as recommended. Motion passed.

Motion passed.

Finance/Operations Report: Ms. Fox thanked everyone for coming in for a special Board meeting on March 30, 2010, to approve the audit.

Academic Affairs Report: Dr. Cia Verschelden, Vice President for Academic Affairs, reported that both the Kansas Board of Regents and the Board of Nursing have approved the proposed Nursing program at the Technical Center in Atchison.

Student Services Report: Dr. Cheryl Rasmussen, Vice President for Student Services, provided a report on the number of visitors at the Highland and Atchison campuses, the number of applications and housing contracts for Fall, 2010. A committee is reviewing the current policy on tobacco use at HCC. Currently, smoking is allowed on the grounds and in certain foyers. A survey of employees and students was conducted to determine if people would support a completely tobacco free campus. Dr. Rasmussen shared the results of the survey with the Board and indicated that a proposed policy on tobacco will be presented to the Board at a future meeting. Dr. Rasmussen attended the ACT Kansas Conference on April 7, 2010. She shared information from that meeting with the Trustees.

Closing on the purchase of the Gary Hardy Dodge building in Holton, Kansas, is complete. Closing on the sale of the Technical Center house in Atchison will take place on April 19, 2010. Campus groups on campus have been asked if they would like to do this as a project.

SB 362 was passed by the Senate and the House and is awaiting the signature of the Governor. This bill moves the date the College must notify non-renewal of faculty members from May 1 to the 3rd Friday in May. The date faculty must notify the College that they are not returning would be changed from May 15 to two weeks after the 3rd Friday.
