MA110 OR MA 116	MAT 104	College Algebra

Courses Approved for General Education:

- The required credit hours within each of the three General Education areas vary by major. A student should refer to www.washburn.edu for the Course Catalog (a PDF version can be found at <http://www.washburn.edu/Main/academics/academic-catalog/2011-2012-washburn-university-catalog.pdf>) or contact the department of his/her major for the required credit hours in each Gen. Ed. area.
- Students should refer to the Transfer Guide for courses not listed in this document. Courses listed in the Transfer Guide as EL are elective courses. Courses listed with XX do not transfer as a specific WU course, but as college credit within the course's discipline.
Ex. AR 1XX= lower division Art course
- Students transferring with a completed degree can use courses with XX in Gen. Ed. disciplines towards Gen. Ed. requirements. *Ex. If a student with an associate's transfers EN2XX, this course can be used for an Arts and Humanities Gen. Ed. requirement*

ARTS AND HUMANITIES

- English (Excludes EN 100, 101, 102, 200, and 300; however, transfer students who have completed a second semester freshman composition course at another institution may use that course to fulfill three hours of the General Education requirement in the Arts and Humanities)
