According to your FAFSA, you have been in school for at least two years and a half years. The Department of Education says you should be able to complete your two-year degree in less than three years and you cannot receive financial aid once you pass the three year mark.

This appeal form is to make sure you are on track to complete your degree in less than three years. You cannot receive financial aid until this form has been reviewed and you may need to set up a payment plan until you have been awarded financial aid. If your appeal has been approved, you can cancel your payment plan once your financial aid process has been completed. **If you have completed at least 12 credit hours with HCC, please request a graduation check at <https://highlandcc.edu/pages/graduation-check-form>. We must have a graduation check on file before we can review this form.**

Please provide the following information:

1. What is your anticipated graduation date with HCC? Include Month and Year: ____/20____
2. What degree program are you attempting? _____
3. Briefly explain reason for length of time spent towards degree program:
