➤ HOUSING

➤ SSS (STUDENT SUPPORT SERVICES)

Student Support Services (SSS) is a federally funded TRiO program under the Department of Education. The goal of this program is to increase the retention and graduation rates of participants and help students make the transition from one level of education to the next. All of our services are free! To be eligible for our services a student must be first generation, low income, and/or have a disability.

➤ SSC (STUDENT SUCCESS CENTER)

The Student Success Center (SSC) is committed to the development and understanding of the college experience for all students. The SSC supports Highland Community College's mission to provide lifelong learning opportunities by way of academic advisors and early intervention services. Each student has access to an advisor and Main Campus students are assigned a specific advisor for their time at HCC.

HONOR SOCIETY

➤ PHI THETA KAPPA (INCLUDES SOME REGIONAL LOCATIONS)

Phi Theta Kappa (PTK) is an international honor society for two-year colleges. Memberships are based on academic achievement. Eligibility requirements to be a member of the **Alpha Zeta Gamma (AZG)** chapter include a cumulative GPA of 3.5 or higher and at least 12 credit hours completed at Highland CC.

HIGH SCHOOL STUDENTS!

Earn college credits through HCC's online programs.

Students can take college courses in conjunction with regular high school class offerings to earn college credit while in high school.

High School students can earn college credits completely online through Highland Community College's online program. High School students who have completed their freshman year can enroll in HCC courses; however, the Excel in CTE funding is available only to juniors and seniors. Courses are taught by experienced faculty and provide students the opportunity to get a head start on their college degree or jump start their career.

Approval of these courses is subject to change. To find out which Excel in CTE courses will be offered, including career and technical programs not listed, please contact the HCC location nearest you.

*The Kansas Board of Regents has approved over 100 courses for guaranteed transfer among all Kansas public post-secondary institutions. Additional courses may also be eligible for transfer. Please contact the Registrar's Office of your university or college for more information. Students are responsible for becoming acquainted with the program and degree requirements of the institution to which they expect to transfer.

System Wide Transfer courses transfer to any Kansas public institution offering an equivalent course.

The decision of lower division courses to count toward upper division credit hours is at the discretion of the receiving institution. Visit kansasregents.org/transfer_articulation for complete details.
