Highland Community College offers payment plans as yet another way to make college more affordable. Any student taking an HCC course may finance their tuition and fees through a payment plan. There is a \$25 non-refundable fee plus 10% of total anticipated balance due immediately to establish a payment plan.

GUIDELINES FOR USE OF PAYMENT PLANS

1. Student accounts must be paid in full or signed up for the Payment Plan by the payment due date each semester.
2. Students who have not signed up for the plan or paid in full by the payment due date may be assessed a \$30 late fee.
3. Students may finance 90% of their semester bill and must pay 10% of their semester bill upon signing up for the payment plan.
4. Students defaulting on payments may not be allowed to access the payment plan for subsequent semesters.
5. There is no fee assessed for a payment plan set up to charge via ACH (bank account). There will be a 2.75% service fee for a payment plan setup to charge a debit or credit card.
6. A \$30 late fee will be charged for every payment missed.
