REUNION 2005 TO HONOR GOLD AND SILVER CLASSES

The Highland Community College annual alumni reunion and banquet date has been set for April 23. This year's honored golden class will be the Class of 1955 and the silver class is the Class of 1980.

The day starts at noon with a luncheon honoring the Class of 1955 hosted by HCC President David Reist and his wife, Marci. The alums will have the afternoon to tour the campus, enjoy this year's spring musical, and visit and reminisce. This year, the performing arts department will present "Lucky Stiff," a musical comedy that is a very funny murder-mystery farce at 2:00 PM.

Once again, the Alumni Board will provide a variety of auction items that may be bid on throughout the afternoon. The

money raised from the auction supports the Alumni Scholarships that are given annually. The auction will be located in the HCC Library and everyone is encouraged to stop by and make a bid.

The banquet will begin at 6:00PM with roasted tenderloin of pork, herbed new potatoes, green beans almondine, salad, roll, tea or coffee, and cherry cheesecake served. The cost for tickets reserved in advance are \$12 and after noon on Thursday, April 21, the cost will be \$15. All tickets will be reserved and picked up at the door on April 23.

Following the banquet, alumni will dismiss to Culbertson Auditorium where you will be entertained by the HCC music department. The program will then honor the Class of 1955. This fun

part of the day reminds everyone of their time at Highland Community College and what an important role the College has played in our lives. The program concludes with the roll call of classes, presentations of alumni scholarships, door prizes, and singing the Alma Mater.

This year, a special effort will be made to entice the Class of 1980 to return to campus. Plans are being made for a reception for the 25 year graduates in the new Scottie Stadium Center following the afternoon musical.

Everyone is encouraged to return to campus to enjoy a day of reacquaintances and reminiscing and the opportunity to make more happy memories.

Message from the President.....

I hope you'll enjoy this issue of *The HCC Connection* and it inspires you to attend the Alumni Reunion this spring. Many changes have taken place since last April and I know you'll have a good feeling about your alma mater after visiting campus.

Here are a few highlights:

- The Stadium Center is complete except for some landscaping outside the building.
- The new Wellness Center is under construction and the anticipated completion date is late September 2005.
- Our Title III Strengthening Institutions Grant has had a tremendous impact on our campus as we are in the second year of that project.
- MS-1, our lecture hall in the Math Science building, has been transformed into a video-conferencing classroom.
- Two regional centers have been relocated to better connect with our students.

- Two alumni gifts benefit Theatre, Music, and Library.

Work on the HCC Master Facilities Plan continues with the completion of the Stadium Center in December and construction of the Wellness Center is underway. The football and track coaching staffs have moved into the Stadium Center. On the second floor, in addition to office space, there is a large game administration area, rest rooms, and a conference room. Downstairs houses a concession stand, public rest rooms for athletic events, and the Dean Barber Memorial Room. This building is a great addition to our campus and makes Kessinger Field and Track one of the best venues in the state to watch community college football and track.

The Wellness Center construction is on target with the steel frame currently being erected. This 41,000 square foot facility will provide recreational space for our students, faculty, staff, and community; an area for activity classes, a large space for campus and

community events, and an indoor practice area for track, softball, and baseball during inclement weather. You may also follow the construction of the Wellness Center with our webcam at www.highlandcc.edu

Employees of our Title III grant are busy revamping our developmental curriculum. They have converted nine of our regular classrooms into SMART classrooms and have held boot camps to train faculty in new technology, skills, and delivery methods effective with high-risk, under-prepared students.

They have established a “Summer Blitz” program to provide developmental students a jump start on their fall classes. Learning communities are being developed as faculty team-teach such linked courses as: Reading Skills and Fundamentals of English, English I and Fundamentals of Investigation, and Macro Economics and General Sociology.

Last summer, the old seating in the MS-1 lecture hall was removed and new table style seating was installed. The tables are wired so students may have use of laptop computers while in class. During semester break, videoconferencing equipment was installed. The equipment was the result of a Rural Utilities Services (RUS) grant HCC received by

classroom space. We continue to offer our curriculum to the Atchison area, and twenty-three NEKTC students also are pursuing an associate’s degree this spring by enrolling in our general education classes. NEKTC has been a good partner to HCC and we hope to build on this relationship in the future.

This year, HCC moved our Frankfort operations to Marysville. We anticipate this move will better serve the population of in the northwest corner of our service area.

Two alumni gifts this year will enable us to make significant strides in three areas. The first was a gift from the estate of Mildred Myers (class of 1946). This gift was used to purchase and install a new lighting system in

The second gift, donated in the memory of Ruth Kieswetter (class of 1927), has been earmarked for the Library and music department. We are still establishing what the gift will be specifically used for, and there is no shortage of need in either area.

Alumni support was generous last year and it’s vital that it continue. Our main sources of revenue do little more than provide the basics for our operation. Enhancements to our campus and programs depend on strong alumni support. We couldn’t have accomplished many of the good things we do without your interest, participation, and contributions. When I visit with alums, who graduated some time ago, or when I talk to recent graduates, I hear the same thing being said. “HCC gave me an opportunity for higher education that I wouldn’t have had otherwise.”

Come back to campus and see us. I know you’ll be impressed and we’ll enjoy showing you around. With that being said, I challenge you to:

- Go forth and be good Scotties.
- Wear the navy and gold with pride wherever you go.
- Tell all your friends about the good things happening at HCC.
- Send your children and grandchildren to HCC.
- Answer the call to Alumni events.
- Respond to opportunities for giving by the HCC Foundation.

Remember, someone at HCC provided help for you in the form of scholarships, time and support, instruction, friendships; now you can help provide for others.

partnering with some local high schools. HCC is offering 14 interactive video classes this spring over the Telenet 2 network.

Highland Community College has moved our Atchison operations to the Northeast Kansas Technical College campus. NEKTC has been kind enough to offer us office and

Culbertson Auditorium last summer. In addition to acting, HCC has students interested in technical theatre. This new state-of-the-art lighting system will allow our technical theatre students to transfer to other theatre programs with excellent experience in theatre lighting.

Class of 1954

Wilma (Onek) Bosse, Hiawatha, taught school at Belvue District #46 northeast of Hiawatha. She married Marvin in 1955. They farmed and had a dairy for many years. They have two daughters, Anita and Elaine and six grandchildren. Wilma is active in her church and still plays the organ for the church. She has held offices in LWML at Kansas district, zone, and local levels.

Jack Denton, Denton, farmed for 45 years on the family farm. He is now retired from farming but still manages the cattle herd. Jack entered the Army shortly after graduating, and served in Japan and Korea. He married Betty in 1957 and they have seven children and 16 grandchildren. They enjoy traveling and have been to 12 foreign countries. He was Potentate of Abdallah Shrine Temple in 1979, the Chairman of the Imperial Marshal's Staff of North America for over 25 years, and on the Board of Directors of the Shriners Hospital for Children in St. Louis.

Dottie (Ukena) Dorrell, St. Charles, MO, married Dwayne Dorrell. She graduated from Kansas University with a BS in nursing. She worked in the patient clinic at KU Med Center, then took a break from nursing until 1968 and returned to be an office nurse for 27 years. They have three children and nine grandchildren. They love to travel and do some volunteering.

Rosalie (Ramseir) Dorrell, Bendena, married Jack in 1958 and they have four children. She worked with Wyeth Hardware, Social Security, and Internal Revenue before becoming a stay-at-home mom until the children were older. They have nine grandchildren. She has helped Jack in his building contractor business as bookkeeper, painter, etc. More recently, she worked at the ASCS office in Troy and several years ago was a part-time employee of Highland Community College.

Many member of the class of 1954 and their guests enjoyed an afternoon campus tour. Stories about climbing out windows and cutting a particular class were among those told. What an enjoyable and entertaining group they are!

Pictured front: Vera Hurst, Dan Holladay, Emma Lou Nieman, Rosalie Dorrell
Back: Louis Holaday, Joann Holaday, Keith Richey, Gene Long, Dottie Dorrell, Marvin Ledbetter, Lillie Ledbetter, Geri Todd, Ray Miller, Jack Denton

Dan Holaday now lives in Holton, KS.

Joann (Halling) Holaday, Abilene, taught for one year, then married Louis. They have six children. She kept up a substitute teacher's certificate and taught all grades throughout the years. They both retired in 1995. They also have 19 grandchildren and three great-grandchildren.

Louis Holaday, Abilene, received his B.S. from Washburn and his M.S. from Emporia State University. He was in education for 42 years as a teacher, coach, elementary principal, high school principal, and superintendent of schools.

Vera (Ellerman) Rodecap Hurst, Atchison, received a B.S. degree from M. St. Scholastica in 1968 and M.S. degree from KU in 1975. She taught school for 29 years, retiring from Auburn, Washburn district in Topeka in 1994. She married Roger Rodecap in 1954 and they have three children, six grandchildren, and two great-grandchildren. She married Van Hurst in 1994.

Marvin & Lillie (Smith) Ledbetter, Winchester, celebrated their 50th wedding anniversary in 2004. They have lived most of their married life in Winchester where they raised three sons. They have seven grandchildren and two great-grandsons. Lillie recently retired after 29 years as a teacher's aide at Jefferson Co. North, and Marvin taught school for seven years and then was a dealer for Lindsay Water Conditioners until 2002 when he sold his business.

Gene Long, Willis, went to Peru State Teachers College and then taught school at Willis Grade School for three years. He taught at Grandview for three years, worked for the City of Hiawatha for 26 years, at the Egg Plant for six years, and is now working as the janitor for the Special Education Co-op for

almost 15 years and at the Christiand Church for 14 1/2 years. He has been married for over 48 years and they have five children, 13 grandchildren, and two great-grandchildren.

Raymond Miller, Atchison, went into the Navy for two years serving aboard the USS El Dorado. He returned home intending to go back to college on the G.I. Bill, but took a job at Midwest Solvents with the intention of working until school started. He was with Midwest for 43 years as Records Clerk, Truck Traffic manager, V.P. Traffic, V.P. Purchasing, and finally as V.P. Risk Management. He married in 1963 and they have 9 children. He retired in July 1999, and is currently serving on the HCC Foundation Board of Trustees.

Emma Lou (Mier) Nieman, Nortonville, taught five years in rural schools. After her 60 hour certification ran out, she became an aide in the USD 377 school district for 30 years. She taught nursery and Sunday School for 30 years at St. Matthew Lutheran Church in Nortonville. She has been married for over 48 years and they have three children.

Keith Richey, Falls City, NE, married and they have two adopted children. He served in the military 1957-59. He finished his bachelor's degree at Peru State College in 1960 and received his M.S. in Guidance and Counseling in 1965 at the University of Omaha. He spent forty years in education as a teacher, coach, and counselor. He coached several sports but most of the years as a football coach, being fortunate enough to have 82 wins, 34 losses, and 3 ties in 14 years as head coach. He has been active in Rotary, Gideons, church, and city council.

Geraldine (Pickerign) Todd, Elmwood, WI, stayed in Highland for a while, then returned home and taught school for a couple of years. She then married Len Todd in 1956. They have four children, 15 grandchildren, and two great-grandchildren. They have been very busy with agri-business and travel.

Cookies and a cool glass of tea are just what this group of alumni ordered after a day full of enjoying the reunion and banquet. The Alumni Board members pitch in to help make the day enjoyable for all those attending.

OH WHAT A CLASS!

THE CLASS OF 1939 GATHERED FOR THEIR 65TH REUNION

Returning were Helen (Powell) Lewis, Orville Sutherland, Lloyd Bell, Alvin Acker, Cynthia Johnson, and Bernice (Ukena) Veach and their guests. This class has always been great supporters of Highland Community College and love to challenge other classes to follow in their footsteps!

SILENT AUCTION FUNDS THREE SCHOLARSHIPS

The Highland Community College alumni scholarships were awarded by Co-President Shari Bauman to: Laura Albers, Bendena, Daniel Compton, Hiawatha, and Stuart Aller, Hiawatha. These scholarships are funded from the proceeds of the silent auction which takes place in conjunction with the alumni reunion each year. The Alumni Board acquires many nice items for the returning alumni to make their bids. The bidding begins in the afternoon in the HCC library and is announced at the reunion program that evening.

MANY RETURN FOR ANNUAL ALUMNI GAMES

It was a great summer day on the HCC campus last August when so many alumni athletes returned to participate in the annual alumni games. The day started with the alum run, followed by baseball, volleyball, drill team/cheerleader practice, softball, and football.

Things were a bit different with the construction of the stadium center underway. The concessions were held in Allen Field House and getting to the stadium bleachers was on a new path, but it didn't deter anyone from participating or just cheering others on.

The KNZA wheel of fortune returned to provide the registered alumni with a spin

on the wheel for a door prize. This has proven to be a very big draw for those attending as the prizes have been well received.

Proceeds from registration and the concession stand help support alumni activities and scholarships.

The next alumni games are set for Saturday, August 20, 2005. It will be an opportunity not only for athletic participation but a chance to come back to campus to see the newly completed Scotie Stadium Center and the Wellness Center that is slated for completion in the Fall of 2005.

BRICK COURTYARD PROGRESS

The new Scottie Stadium Center is a two-story facility that will accommodate meet and game day needs. The second floor holds the game/meet administration area that allows a complete, unobstructed view of Kessinger Field through a wall of glass. Football coaches have their offices on the west end, and the track/cross country coaches are on the east end. In addition, there is a conference room on the east side of the second floor. The main floor consists of the Dean Barber Memorial Room which can be used as a meeting room and an area to hold receptions and gatherings. The Barber Room can be divided into two rooms with the use of an accordion door. A new concession area, with vending areas opening to the outside, is located on the southeast corner of the main floor. Restrooms with exterior entrances are located on the southwest side. The Stadium Center Courtyard, honoring alumni and friends of the College, is

located on the south side of the new facility. Bricks in the Courtyard are available for engraving memories.

This courtyard will honor alumni and friends of Highland Community College. You can purchase a personalized brick with your name, sport, activity, years of attendance, a short message, or as a gift for someone else.

Inscription is limited to three lines on a 4x8 brick and five lines on an 8x8 brick with 14 characters per line, including spaces and punctuation. Cost for a brick is: 4x8--\$100 and 8x8--\$200. For additional information call (785) 442-6019.

Help us complete the new Scottie Stadium Center courtyard by purchasing your personalized brick.
