PS 107	General Chemistry	Late Nite Labs Access Code	9781464192043	\$ 43.95

*in addition to per course book rental charges

Notes:

If course only uses a consumable item, the rental fee + consumable item fee combined = total item cost

If course uses a rental book and consumable items, the rental fee charges are applied to the use of the course textbook and the consumable charges are only for the consumable item.

If course material is shared among several classes, rental fees are still applicable, as the item cost is distributed.
