

Why Free?
 The **Excel CTE** (formally Senate Bill 155), allows Highland Community College to offer free tuition in specific courses and programs for **Kansas High School** students who are **Juniors and Seniors**.

FREE TUITION

****Excel CTE ONLINE CLASSES FOR KANSAS HIGH SCHOOL JUNIORS AND SENIORS**

Three Easy Steps to ENROLL:

- 1 Complete the online HCC application for admission at www.highlandcc.edu. Choose Admissions, Apply, Online Application and select Online as your primary location.
- 2 After your application has been received, you will receive an email from HCC with directions for logging into your MyHCC account. A separate email will have directions for enrolling.
- 3 Follow the directions in the email to enroll in the course(s) through your MyHCC account.

That's it! You're enrolled in a tuition free online course! As a HCC student, it is important that you check your HCC email regularly. HCC Online classes utilize a book rental program. Once enrolled, you will receive directions for confirming your course materials and textbook shipment. Excel CTE students are responsible for the book rental fee of \$17.00 per credit hour. Some courses require consumable items (workbook, access code, software, etc.). These charges are also the responsibility of the student and applied to the student account per course when applicable.
