Notes:

If course only uses a consumable item, the rental fee + consumable item fee combined = total item cost

If course uses a rental book and consumable items, the rental fee charges are applied to the use of the course textbook and the consumable charges are only for the consumable item.

If course material is shared among several classes, rental fees are still applicable, as the item cost is distributed.

Only new, unopened consumable items can be returned. Dropped courses may result in non-refundable book rental and/or consumable charges for these courses.
