

Department:

Sociology

Program Description:

Social Work is a transfer program for students who plan to complete an associate in arts degree at HCC and then transfer to another institution to pursue a bachelor's degree in an area of human or community services. Social workers help people, often poor or disadvantaged, function in their social environment. Employment opportunities exist for service in child and public welfare, substance abuse, schools, corrections, disabilities, health care, mental health, community organization, policy and planning, administration, and research.
