STUDENT LIFE

Classroom education is a priority in your college career, but the learning experience should not stop there. Focused on fostering leadership through student involvement, the Office of Student Life organizes and oversees events that bring students together in fun and learning situations. Ranging from student organizations and activities to intramural sporting events, the Office of Student Life provides HCC students with a variety of entertainment and leadership opportunities.

Take a look at a technical program. Skilled professionals are in DEMAND!

Are you a motivated, creative thinker? Do you enjoy working with your hands? Have you taken things apart just to see how they work? Do you have a desire to help individuals?

Most programs can be completed in one or two years. Technical students have the option to complete a technical certificate or an Associate in Applied Science degree.
