

HIGHLAND IS YOUR POST-SECONDARY EDUCATION PARTNER!

HIGHLAND
COMMUNITY COLLEGE

Students can take college courses in conjunction with regular high school class offerings to earn college credit while in high school.

High school students can earn college credits completely online through Highland Community College's online program. High school students who have completed their freshman year can enroll in HCC courses; however, the Excel in CTE funding is available only to juniors and seniors. A complete list of Excel in CTE classes are available on our website, www.highlandcc.edu. Courses are taught by experienced faculty and provide students the opportunity to get a head start on their college degree or jump start their career.
