COST OF ATTENDANCE 2022-2023

Each school is required to determine an estimation of the cost to attend for a year. Each category is defined by the Department of Education, but is calculated by the school. Below is Highland Community College's cost of attendance for the 2022-2023 award year.

This amount is based off of a student attending full-time, fall and spring semesters, taking 15 credit hours each semester and living in the highest cost campus housing.
